

TENT HIRE **DIRECT** COVID-19 GUIDANCE

IT'S WONDERFUL TO SEE YOU AGAIN!

After so long in lockdown, Tent Hire is delighted to welcome you back, but in line with government guidelines, there are measures we have introduced to keep everyone safe. Your understanding & compliance is much appreciated.

Our 5 key **COVID-19 Guidelines** are outlined below:

SAFETY MUST COME FIRST

To protect customers, visitors & staff, we have completed the necessary risk assessments to allow us to fully re-open, but it will mean your support is required to ensure that everyone stays safe on our premises.

RESTRICTION ON VISITOR NUMBERS

To ensure we can adopt social distancing measures (please stay 2m apart), we are restricting the number of customers allowed in the shop at any one time. It may delay your shopping experience, but will ensure we all stay safe.

A MASK IS A MUST

In line with government advice, all Tent Hire staff will wear facemasks when in public areas, and we kindly request that customers also wear face protection. We do apologise for this inconvenience, but we believe it is a necessary step.

HAND GEL TO KILL THE VIRUS

As part of the rigorous cleaning regime Tent Hire has introduced, we request that all customers make good use of the anti-bacterial hand gel station positioned inside of the shop. Again, this is for the safety of all concerned.

DON'T FORGET OUR WEBSITE

If you feel that you cannot comply with our measures, or believe you will be unduly delayed, remember that you can order online from the comfort of your own home! Take a business card and visit: a2zcamping.co.uk

FINALLY, A BIG THANK YOU!

Many, many thanks for your understanding in these difficult times. We feel that our control measures will ensure all customers can visit Tent Hire and feel safe and secure. Staff are available to answer any questions you may have.
